

# **LAND DEVELOPMENT SURVEYOR / ENGINEER Queenstown office**

We have a vacancy for an experienced Land Development Surveyor / Engineer, to join our busy Queenstown office. This provides an opportunity for a practical and experienced professional to manage a variety of land development and cadastral projects within the Queenstown area.

All applications and enquiries will be treated in strictest confidence.

**We are seeking a highly motivated person who can exhibit the following attributes :**

- Experience in NZ subdivision design using 12d Model and AutoCAD software, cadastral surveying and construction contracts and supervision
- Relevant Tertiary qualification
- Effective communication, collaboration and leadership skills
- Ability to think independently and manage projects with a high degree of autonomy.

**We offer the following :**

- A variety of interesting and challenging projects
- A friendly office
- Attractive salary and conditions
- Private medical insurance
- Ongoing professional development and support
- Employment in a vibrant and growing town.

Applicants for this position must have at least NZ residency or a valid work visa, and full NZ driver's licence.

Applications close 21 January 2019. For more information, or to lodge an application, please contact :
