

Licensed Cadastral Surveyor (Full Time Position – IMMEDIATE START)

Survey Gisborne Ltd was originally established in March 1999 and is proud to be locally owned! We offer a diverse work load for a qualified and experienced person who is keen to embrace the unique local life style opportunities available in the Gisborne Region. With just a five minute drive to the office, CBD, rivers and beaches you'll enjoy a superb work life balance. There will be ample time to surf and survey all in the same day, enjoy hobbies and spend more time with family with an added bonus of affordable housing and pleasant climate.

Survey Gisborne Ltd is on the hunt for a ***Qualified & Experienced 'Licensed Cadastral Surveyor'***.

We need a professional that has the ability and confidence to self-manage, who is confident both in the field and office components that include the use of land-on-line, 12d and AutoCAD. A sound understanding of the NZ cadastral legislation, planning and engineering will be ideal to complement our survey business with respect to subdivisions and land development.

If you think this role suits your needs and would like to find out more about this opportunity please contact Survey Gisborne Ltd. Email: diane@surveygis.co.nz or simply call 021 361 826.

An attractive remuneration and employee incentives on offer in line with years of experience. \$86K +
