

Engineering Technician / Survey Technician / Graduate Surveyor / Licensed Cadastral Surveyor

Staig & Smith Ltd is a long established and progressive Land Development company with offices in Nelson and Christchurch.

With a staff of around 20 we are involved in a wide range of Land Development projects in the top of the South Island predominantly focused in the Nelson, Christchurch, Golden Bay and the Marlborough Sounds areas. We are specialists in 3D Laser Scanning, UAV surveys and complex Land Transfer projects.

Position

We are seeking an Engineering or Survey Technician, Graduate Surveyor or Licensed Cadastral Surveyor to fill a full-time position in our Nelson office.

The job description is flexible but would suit an Applicant with an interest in Engineering Design for Subdivision Infrastructure, LT / topographic surveys, Contract Management, plus any areas of specific interest.

We operate Leica survey equipment, laser scanners and modern UAV platforms and use 12D software.

Nelson is a thriving province close to beaches, ski fields, lakes and wineries. If you need a change, more challenge, or simply want to work in a better climate then this job is for you.
