Licensed Cadastral Surveyor

Cato Bolam is a leading land development consultancy providing “start-to-end solutions” for land development, subdivision and land use projects, large and small. Our services include planning, surveying, engineering, architecture, environmental and project management.

With more than four decades of experience we have built a reputation for providing dependable, best quality professional services, in our own friendly and approachable way. We set high standards for all aspects of our work, and clients trust us to deliver. In an environment of ever-increasing complexity, our job is to make the complex simple, to communicate well and to achieve first-class solutions for our clients. We listen to our client's needs, understand those needs, and go beyond client expectations to deliver creative and inspired solutions.

At Cato Bolam our people are our strength. Our purpose is creating great places. Our aim is to create built and natural environments that are great places for people, communities and which create a better future.

We are a friendly team of professionals working across four offices, in Henderson, Orewa, Manukau and Whangarei, who are supportive of each other and work collaboratively whilst having fun along the way.

The Opportunity

We have an exciting opportunity in our Orewa office for an experienced Licenced Cadastral Surveyor to work with our high performing survey team who are key in the delivery of all aspects of surveying for a wide range of projects rural, urban and commercial. You will have the opportunity to work alongside our Survey Manager to support and mentor more junior team members. Being located on the urban fringe of Auckland, you can avoid the traffic and live close to the country while enjoying work in both rural and urban surveying environments to support our broad client base. Recent urban legacy projects include; Huapai Triangle, Huapai Country Club, Fairway Bay, Riverhead South and the iconic waterways at Whitianga and Marsden Cove. This a great opportunity to join one of NZ's leading survey companies.

About You

Our ideal candidate would be locally based with significant NZ experience in all aspects of cadastral surveying and land development. You will ideally have experience working in a multi discipline environment and be familiar with land development, key stakeholder engagement, managing project timeframes and budgets, preparing estimates and providing on-the-job training and mentoring to more junior team members.

The team is very busy, so it is important that you have exceptional communication skills and are comfortable and experienced with managing both external clients and internal stakeholders. You will be a Licensed Cadastral Surveyor with a minimum 5+ years' experience.
