

## Licensed Cadastral Surveyor – Tauranga

Latitude Surveying Ltd seek a self motivated, well organised Licensed Cadastral Surveyor who works well in a team environment to join the busy team due to the continuing growth of our practice.

This is a great opportunity to join an enthusiastic and friendly team with plenty of project variety and a lifestyle in the Bay of Plenty.

### Skills:

- Proficient with 12D, autocad and e-survey software.
- Competent operating GPS and total station equipment.
- Possess familiarity with the Resource Management Act and land development processes.
- Engineering design and supervision experience desirable.
- Excellent written and verbal communication skills with the ability to relate well to clients and colleagues.
- A motivated individual who shows initiative to develop forward thinking solutions for our clients.
- Ability to time and project manage with minimal supervision.
- Be positive with a great sense of humour and work ethic.
- A valid full NZ drivers licence.

Latitude Surveying offer a salary to be negotiated based on qualifications and experience. This position may also suit an experienced Graduate Surveyor or experienced Technician Surveyor.

If this opportunity interests you please submit your CV and cover letter to:
