

TECHNICIAN / GRADUATE / LICENSED CADASTRAL SURVEYOR
GISBORNE / EAST COAST

Grant & Cooke Surveyors is a well established and well respected surveying firm dating back to the late 1800's.

We are looking for a motivated and enthusiastic Technician, Graduate or Licensed Cadastral Surveyor.

Your role will include a wide variety of legal, topographical, set out and as built surveys, and preparation of resource consent applications.

Along with GPS, Total Station and Drone, we use 12d, Bricscad and document management software Ferret. We have spacious air conditioned offices with plenty of off street parking.

Gisborne has an enviable lifestyle - magnificent beaches, great weather, no traffic jams, and you can still afford to buy a good house!

This is a great opportunity to become part of an iconic East Coast survey firm who enjoy a wide variety of work.

Salary by negotiation.

Please send application and CV to:
