

**SOUTHERN
LAND**
DEVELOPMENT CONSULTANTS

Southern Land is a medium sized consultancy with a head office in Wanaka and smaller offices in Queenstown and Auckland. We are seeking **Experienced Technicians** or **Surveyors** or **Licensed Cadastral Surveyors** to join our thriving team in Wanaka or Queenstown. Partnership progression is a possibility.

What do we do?

We are working on a range of exciting land developments, encompassing rural, urban and commercial projects. We're experiencing strong growth and have a solid 5-15 year pipeline of work, offering permanent jobs and the opportunity to make your mark. Our work covers the full range of land development, from resource management planning to project management, cadastral to civil design and engineering. We operate the latest survey equipment, including a UAV.

What do we offer?

A stable home base in New Zealand's beautiful adventure playground, highly competitive pay rates, and a fun and friendly working environment with a team of experienced professionals.

What work will you do?

You will be involved in land development projects from start to finish, with a particular focus on cadastral work and the opportunity to manage your own projects.

What are we looking for?

You'll have a Bachelor of Surveying or Diploma of Surveying plus significant experience, good cadastral knowledge, strong field skills and an aptitude for project management. You will be familiar with 12d, AutoCAD and Landonline and have a keen attitude and excellent attention to detail. You must have New Zealand residency or a valid New Zealand work visa.
