

# WIGLEY + ROBERTS

REGISTERED PROFESSIONAL SURVEYORS

## WELLINGTON REGION SURVEYOR

**Want to work 4 days a week and get paid for 5?** Come and talk to us at **WIGLEY + ROBERTS**. We take work-life balance seriously and have recently introduced the option of working 4 days a week and it is fantastic.

Opportunities to work at **WIGLEY + ROBERTS** don't come up very often. In fact, this is the first opportunity in 10 years and it's not because someone is leaving – it's because we need another qualified surveyor.

**WIGLEY + ROBERTS** is a small, smart operation utilising the latest technology and equipment and this enables us to offer a wide range of professional surveying services across the Wellington region. We are extremely proud of our reputation for providing clients with the best service possible.

Does this sound like something you might like being part of? If you are a Licensed Cadastral Surveyor, a graduate looking to obtain licensing or a suitably qualified technician and you have experience in the New Zealand Cadastral system, 12d, CAD and e-survey, then we'd like to talk to you. We remunerate competitively and long term prospects are there for the right candidate, **including Partnership possibilities**.
