WANTED: A Licensed Cadastral Surveyor

WHERE: Putaruru – Home of NZ's finest water (The Blue Spring)

Interested in working in the rural environment across all land development disciplines?

We have an opportunity for a Licensed Cadastral Surveyor interested in working with a great friendly team. Come to the South Waikato District and explore the lakes, the bike tracks, the rural environment and the friendly folks.

**Nicholson Surveying is an established practice providing land surveying and land development expertise in the South Waikato area.**

To apply for this position, email your CV along with a covering letter to Tim Bailey at the following:
