

## LAND SURVEYOR ROLES

Tararua Land Surveyors is a small sized consultancy firm with it's head office in Upper Hutt (Wellington) and a second office in Levin. We are seeking 2 surveyors, of any age, to join our team either in the Upper Hutt or Levin Office.

### **What do we do?**

We are working on a range of exciting land developments including rural, rural/residential, urban infill and multi-lot subdivisions around the Wellington, Horowhenua and Wairarapa Regions. Our work covers the full range of land development, from resource management planning to project management, cadastral to civil design and engineering.

### **What do we offer?**

Competitive remuneration, relaxed and friendly working environment and a variety of projects. We have a strong emphasis on mentoring for those wanting to advance and looking to obtain licencing or qualification. Ownership progression is a possibility for the right candidate.

### **What work will you do?**

You will be involved in land development projects from start to finish, with a particular focus on resource management planning, civil design and cadastral work. You will have the opportunity to manage your own projects. You will also undertake topographical, boundary reinstatement and engineering surveying projects.

### **What are we looking for?**

A person with a keen attitude to learn and with excellent attention to detail. You will have sound New Zealand experience, and be either a licenced, graduate, or technician surveyor. Age is no limitation. Can be part time or full time. You must have New Zealand residency or a valid New Zealand work visa.

**Interested?** Call Ashley Houghton, Director, on 027 478 7802 or send your CV to [admin@tararuasurveyors.co.nz](mailto:admin@tararuasurveyors.co.nz)
