

LANDPRO

Make the most of your land

Are you ready for a new and exciting challenge? After that step up in your career that makes you jump out of bed in the morning? Then here is a job for you Licensed Cadastral Surveyors!

- **Sole charge role**
- **Excellent remuneration**
- **Flexible, family friendly workplace**
- **Support and assistance from experienced senior staff**
- **In house training and professional development opportunities**
- **Diverse and challenging projects**

Landpro is a multi-disciplinary team of land development experts. We are the trusted advisors and enduring problem solvers for clients both big and small across regional New Zealand. Our experienced teams cover all aspects of Surveying, Planning and Resource Management, Environmental Management and Aerial Surveying and Mapping - we even have our own plane!

Our purpose at Landpro, is to help our clients make the most of their land. Over the past 13 years we have developed a great reputation for our solutions and customer focus, and it all comes down to our people - we employ and invest in the best.

We are currently looking for a talented Licensed Cadastral Surveyor who is ready to grab the reins and take charge of our rural office based in Gore Southland, with a huge potential to grow our Southland based team.

Our rural sector is rapidly growing, in Southland especially, so we require someone who can get amongst it and show the region what Landpro can do! Our work is varied, and we are looking for experience in all aspects of surveying - from government to private; rural to urban. You will also need a good handle on planning concepts and interpretation of regional and district plans, but you will be able to draw on our team of experienced planners to bounce ideas off and support you through your projects.

You will be enthusiastic, dedicated, friendly and get on well with people. You will have strong project management skills and be comfortable juggling multiple priorities. It goes without saying that you have a great work ethic and always keep the client top-of-mind. As a natural problem solver finding innovative solutions is what you do.

Experience with Landonline, 12D, AutoCAD and Leica instruments are all essential components of this role. On the job training, experienced mentoring and excellent professional development opportunities are all included!

Come along and be your best with Landpro while enjoying the beautiful landscape of the Hokonui Mountains and the picturesque surroundings of the wider Southland region.

If you are looking for a progressive and collaborative team of professionals, then we're ready to see your application.

Send your CV and cover letter to kayla@landpro.co.nz.

Applications close 19 May 2020

Open to those eligible to live and work in New Zealand
