## Licensed Cadastral Surveyor or Registered Professional Surveyor

Our small, supportive and experienced team based in Mt Eden are seeking an enthusiastic Licensed Cadastral Surveyor or experienced Registered Professional Surveyor.

We specialize in small residential subdivision and land development projects.

Excellent rapid career advancement exists for the right person.

Our preferred candidates would have strong skills sets in:

- 12d and Landonline
- Autocad
- Land Development
- Project Management
- Subdivision Consent Planning
- Resource Consents / Scheme Plans
- Council applications.
- Client and delivery focus
- Communication
- The ability to thrive in a team environment.

Don't have experience in all these areas or have a passion for a particular area of Surveying? Come and talk to us, we are open to discussing all options.

As we are a small company, we are not in a position to support overseas applicants, therefore we do ask that only New Zealand Licensed Surveyors apply.

For initial contact, either please phone 0274795093 or email John Frear - john@frear.co.nz with your contact details and suitable times for a confidential discussion.
