

What Are We looking For

A motivated **Licensed Cadastral Surveyor** that is interested in playing a key role in growing our business, based in our Tauranga office.

Who Are We

Surveying Services is a progressive firm that operates in the active recreational lifestyle region of the Bay of Plenty / Waikato / Coromandel. "Make the Most of Your Land" is our promise to clients.

What Are We Offering

We are of a size that enables you to have a variety of work and clients, along with the support that you need. You will have the ability to progress quickly, experience camaraderie, move on your ideas, enjoy greater flexibility, have a say in technology requirements and know that decisions are being made with you in mind.

What You Can Offer

Your leadership skills and keenness to pursue client's instructions from concept through to completion will shine. You will be suitably qualified as a Licenced Cadastral Surveyor with practical experience. This will be matched by your sound communication skills, ability to solve complex problems, meet project deadlines and enjoy being part of a team.

What Should You Do Next
