

## Alexandra, Central Otago.

### Licensed Cadastral Land Surveyor or Experienced Graduate

We have a vacancy for a land surveyor to join our small team located in Alexandra.

Our Surveying Company undertakes a wide variety and diversity of work in the Central Otago area. We operate modern equipment including RTK GPS and a drone and operate from a comfortable, new office located overlooking the Alexandra township.

We are looking for a surveyor to join us in the continental climate that Central Otago has to offer!

We are looking for:

- Experience in Cadastral\Engineering Surveying and resource management consent applications.
- Familiarity with 12d and Landonline would be preferable.
- Excellent communication and people skills and full driver's license.
- Team player with a good sense of humour.

Full **or** part time work is available to the right candidate with excellent remuneration and continuing professional development available.

I look forward to hearing from you!

Please email your application and CV to Stuart Calder at [stuart@caldersurveying.co.nz](mailto:stuart@caldersurveying.co.nz)
