

Survey Technician – Tauranga and Hamilton

What Are We looking For

An experienced Surveyor that is interested in being part of a progressive team, capable of working independently on a variety of projects and with a healthy desire to help grow the business. Positions are currently available in our Tauranga and Hamilton offices. (Other offices are Morrinsville, Thames, Whitianga and Paeroa).

Who Are We

Surveying Services is a progressive firm that operates in the active recreational lifestyle region of the Bay of Plenty / Waikato / Coromandel. "Make the Most of Your Land" is our promise to clients. We specialise in 2-10 lot rural and urban subdivisions, general cadastral surveys for building and development, and complex infrastructure work.

What Are We Offering

We are of a size that enables you to have a variety of work and clients, along with the support that you need. You will have the ability to progress, experience camaraderie, enjoy greater flexibility and have input into technology requirements. We value our team and will reward you well with a remuneration package that includes a bonus recognising your input to the team.

What You Can Offer

You will be a suitably qualified and resourceful Surveyor with over 15 years of sound practical experience. This will be matched by your communication skills, ability to solve complex problems, meet project deadlines and desire to be part of a team.
