

Land Surveyor / Civil Designer

Staig & Smith Ltd is a long established and progressive company carrying out a wide range of land development projects throughout the Nelson-Tasman and Canterbury regions.

We are seeking a highly motivated experienced Land Surveyor / Civil Designer for our Nelson office and preference will be given to those who can exhibit the following attributes:

- High level of experience in land development engineering across a broad range of projects
- Proficiency in alignment, surface and drainage design
- Experience in 12d model software
- Enjoys working in a collaborative environment
- Effective communication skills

We offer the following:

- A variety of interesting and challenging projects
- Friendly, family-oriented business
- Attractive salary and conditions
- Employment in a vibrant and thriving province, with endless opportunities for outdoor pursuits.

For more information, or to lodge an application before 18 September, please contact:
