

## LICENSED CADASTRAL SURVEYOR - Matamata

Barr and Harris Surveyors is a busy practice located in the central Waikato town of Matamata with a satellite base in Waihi Beach. We provide land development civil engineering, and resource management planning services within the Waikato and Bay of Plenty regions.

**We have an immediate requirement for a Licensed Cadastral Surveyor. This opportunity comes with the option for mentored transition into an ownership and business management role.**

The position would be based in our recently renovated Matamata offices located within the "Golden Triangle" between Hamilton and Tauranga. Our office has 11 permanent staff, including a Licensed Cadastral Surveyor, Chartered Professional Engineer, Graduate Engineer, Graduate Surveyor, Survey Technicians (3), Engineering Technician, Draughtsman and Administration staff.

The business has a broad workload with diverse projects. The wide range of work within rural, residential, commercial, industrial, and coastal environments has provided for consistent work through varied economic circumstances.

The business has ongoing multistage developments providing for future workload planning with great clients. We can offer great career and professional development opportunities with training, and mentor support.

### **We are looking for**

- A New Zealand qualified Licensed Cadastral Surveyor
- Competent with landonline
- Proficiency with RMA planning process would be an advantage.
- An ability to work with CPENG staff to manage greenfield development projects, and with Survey Graduate and Technician staff on cadastral and other survey/planning projects.
- An organised and effective communicator.

### **We can offer**

- An excellent salary
- A wide variety of work
- Established and experienced Professionals and support staff
- Opportunity to progress quickly to joint Management/Ownership roles.
- A relaxed and friendly work environment
