

## Operations Manager- Whangarei

Lands and Survey Whangarei is a multi-disciplinary surveying, planning and engineering company that has been providing services to the Northland region for over 30 years. We pride ourselves in putting people first with a focus on exceptional customer service and a great work environment.

We are currently searching for a new Operations Manager who is comfortable growing client relationships, leading the survey team and ensuring projects are delivered on time, within budget and to standard.

This role will require a high degree of leadership, and the ability to work as part of a wider management team.

### Key requirements:

- Client management and relationship building
- Team management including team performance reporting, health and safety and team culture.
- Solid grounding in Surveying- preferably LCS
- Experience in Land Development including subdivision design and engineering.
- Experience working with Leica and AutoCAD & 12d software
- Exceptional communication skills with customers, staff and external consultants
- A positive, friendly, can-do attitude; be able to think on your feet and make fast decisions with a hands-on approach
- Desire to be proactive in the growth of the business to achieve set goals
- High level of professionalism in all areas at all times
- Experience delivering outstanding results in health and safety
- Has the right to work in New Zealand

### On offer:

- Competitive salary package
- Usual tools of the trade incl phone, laptop and independent vehicle
- Opportunities for training and development in a growing business
- Work with a fabulous group of skilled people in a professional, dynamic environment
- Work-life balance- we offer flexible working arrangements and have a family-friendly office.

If you have the relevant experience, a great attitude and are looking to reach your potential within a supportive company, please forward your application to [fiona@landsandsurvey.co.nz](mailto:fiona@landsandsurvey.co.nz) or call 0276688078 for an initial discussion.
