

LAND SURVEY GRADUATE

CLC Consulting Group is a medium sized multi-disciplinary consulting firm servicing a wide range of clients with projects predominately located within the Auckland region.

We provide professional services for Land Surveying, Resource Management Planning and Civil, Structural, Fire, and Environmental Engineering.

Our client base is diverse, including high profile land development and public sector organisations, housing developers, construction companies, and private individuals. We are involved in projects from initial conception right through to completion.

We take a collaborative approach to our designs; ensuring they're constantly evolving within the industry and placing us above the rest. We provide a supportive team culture which encourages forward-thinking, innovation and a passion for making great ideas work. We focus heavily on investing in our staff and offer training at all levels. Our flat structure ensures even top-level management are working and directing projects to promote consistent growth and innovation within the work place.

Due to our significant current and forward workload, we are currently recruiting a Land Survey Graduate to join our Auckland based team.

The successful applicant will join our well established, knowledgeable Survey Department and work across a range of projects.

Effective and confident communication skills are key as you will liaise internally with the wider CLC team, and externally with clients. You must be fit and able to complete field work, alongside flexibility with working hours as travel to site is often required and can extend to the wider Auckland region.

You should possess a Bachelor of Surveying (BSurv) from Otago University. Previous survey experience would be an added bonus but not essential.

You must be legally entitled to work in NZ and hold a full, clean NZ Drivers Licence (the ability to drive a manual vehicle is preferred.)

Alongside a competitive salary, we offer many other benefits ensuring your professional development and ongoing wellbeing. Our East Auckland office location allows for free parking, alongside flexible working arrangements to suit commuting times. We have a fun and welcoming Social Club with monthly activities. We also offer a variety of professional memberships.

If this sounds like where you'd like to launch your survey career, we welcome your application. Please provide a cover letter with your CV and apply to hr@clcgroup.co.nz.
