

NORTHERN LAND

DEVELOPMENT CONSULTANTS

Northern Land is a small sized consultancy in Auckland with its head office in Wanaka and other offices in Queenstown and Invercargill. We are seeking **Licensed Cadastral Surveyors or Experienced Technicians or Surveyors** to join our growing team in Auckland.

What do we do?

We are working on a range of exciting land developments encompassing urban, commercial and rural projects. We are experiencing strong growth and we are offering permanent positions and the opportunity to make your mark. Our work covers the full range of land development, from resource management planning through to project management and from cadastral survey through to civil design and engineering. We operate the latest survey equipment, including Laser equipment.

What do we offer?

A stable and friendly work environment with a team of experienced professionals, a variety of projects and highly competitive pay rates.

What work will you do?

You will be involved in land development projects from start to finish, with a particular focus on cadastral work and the opportunity to manage your own projects.

What are we looking for?

You will have a Bachelor of Surveying or Diploma of Surveying plus surveying experience, good cadastral knowledge, strong field skills and an aptitude for project management. You will be familiar with 12d, AutoCAD and Landonline and have a keen attitude and excellent attention to detail. You must have New Zealand residency or a valid New Zealand work visa.

Interested? Call Scott Kirkman on 027 491 9493 or send your CV and cover letter to scott@northernland.co.nz
