

Tauranga, Waikato, Whitianga – Great opportunities for Surveyors and Technicians

What We Are Looking For

Motivated Surveyors and Technicians who are looking for a great opportunity to grow and advance their careers within a supportive team. You will work on projects sourced through our offices in Tauranga, Whitianga, Thames, Paeroa and Morrinsville.

We require a range of team members, from those carrying out field work through to Licensed Cadastral Surveyors certifying and lodging work, and project managers overseeing entire projects.

You will be well remunerated, giving you recognition for your effort and enterprise. With our focus on client satisfaction throughout the process you will get to work for clients that actually thank you for your input!
