

Surveyors

BE PART OF IT

We value our people, our reputation, and our impact on the future. WSP provide survey services for infrastructure, construction, topographic and cadastral projects across the country. We have a strong survey community which has a positive, rewarding and challenging culture. We deliver high quality data using the latest technology to support and maximise the value added to our clients. We have office locations all across New Zealand and we are currently looking for Surveyors in Auckland and Napier.

Are you ready to be part of WSP?
