

## Licensed Cadastral Surveyor

Are you a Licensed Cadastral Surveyor who has New Zealand surveying experience and expertise?

Join our Waikato team and not only will you have exciting project opportunities and room for growth, you'll also be living in a region that provides opportunities for genuine work/life balance, at the heart of some of New Zealand's greatest outdoor playgrounds. From our Directors to our Graduates, embracing ownership and making it happen in the workplace, are rewarded with legitimate flexibility to cater to our active lifestyles. Alongside our professions, we are a team of surfers, kite surfers, fishers, equestrians, mountaineers, skiers, snowboarders, runners, cyclists, musicians, artists... the list goes on.

Operating since 1973, BTW Company (BTW) is an innovative, solutions-focused group of Surveyors, Engineers, Planners, Environmental Scientists, UAV pilots, 3D Scanning Specialists, BIM and GIS experts. BTW's staff of over 70 professionals are leaders in their fields with unparalleled experience on projects, both in New Zealand and overseas. BTW's multidisciplinary teams operate from offices in Hamilton and New Plymouth.

BTW is looking to grow its Survey team and need additional NZ Licensed Cadastral Surveyors in the Waikato region, we have numerous exciting projects lined up and underway. This is a great opportunity for you to be a core member of our Survey team, where you will have access to the latest surveying equipment and technology including 3D Laser Scanners, UAV's, GNSS and Total Station equipment, and you will feel that your contribution makes a tangible difference.

We would like you to have strong Cadastral and Land Development experience but, depending on workload, be flexible to deliver a wide range of Surveying projects. The role will also support, guide and mentor junior members of the Survey team.

As a Licensed Cadastral Surveyor at BTW, you will need:

- Bachelor of Surveying degree.
- In excess of 3 years' experience post qualification related to Land Surveying.
- New Zealand Licensed Cadastral Surveyor status.
- Advanced knowledge of AutoCAD Civil 3D, 12D, e-surveys and dataset lodgement with LINZ.
- Experience overseeing projects.
- Familiarity with marketplace rules and regulations.
- Previous experience supporting, guiding, and mentoring junior surveyors.
- Good spoken and written English and ability to articulate issues and solutions

BTW will offer you:

- Competitive remuneration and paid overtime.
- Flexitime which provides an excellent work-life balance, so you can enjoy what the Waikato region has to offer.
- A fantastic employee-led Training and Development Programme.
- An engaging Leadership Team who will support and nurture your career.
