

## **JOB DESCRIPTION: Surveyor Taranaki**

### **Experienced Surveyor?**

With several exciting, large scale projects on the go in Taranaki we are looking for an experienced surveyor to join our tight knit New Plymouth team, and to help lead and deliver on these projects.

- **Highly competitive remuneration and benefits (life insurance, medical expenses, company vehicle)**
- **Genuine commitment to support flexible, family-friendly working arrangements**
- **Diverse and challenging project with the opportunity to lead large scale projects, manage staff, and refine skills in specialist areas**
- **Rapid career progression, with support and assistance from experienced senior staff**

### **About Landpro**

Landpro is a multi-disciplinary team of experts whose experience covers all aspects of Surveying, Planning, Environmental Science, and Geospatial Consultancy. At Landpro our purpose is create and inspire sustainable solutions through expertise, innovation and technology – we even have our own planes to help with this!

We are a successful company that is committed to making a difference in the regions we work, which currently span Southland, Otago and Taranaki.

Our people are flexible, hard-working and all-round great people: we care about meeting the needs of each other and our clients. As a company we are focused on fostering long term opportunities for the growth of our people. Think of it as city like opportunities with a rural focus, where the only traffic you are likely to encounter is the sheep!

### **The Role:**

The Taranaki region is set to experience exciting growth with several transformational community-based projects going on in the region. LandPro is right amongst this growth with multiple significant projects within our portfolio. As a city, New Plymouth is a fantastic place to max out your playtime and offers great outdoor activities around the sea, snow, hills and trails... make the most of working flexi-time at Landpro!

The Taranaki Surveyor role will help drive several significant projects as well as support our tight knit team of surveyors and planners on numerous ongoing projects. Experience across a variety of jobs from managing big and small subdivisions in the city, to searching for trigs in the bush, would be valuable. If you enjoy working with clients, and managing your own projects from start to finish, this is the job for you!

### **Criteria:**

- **A recognised professional qualification in Surveying at tertiary level.**
- **5+ years' experience across a broad range of survey skills, (specifically: cadastral work, topographic surveys, Engineering design, plan drafting and 12d experience)**
- **Experience in managing an office and/or project team**
- **Experience in working with and/or managing large scale projects**
- **As confident working independently and solving problems on the fly as working collaboratively within a team**
- **Understanding of planning concepts and interpretation of regional and district plans**
- **Experience with Landonline, 12D, AutoCAD, Pix4D and Leica instruments would be an advantage.**

While you do not need to be Licenced, this would be an advantage. Support toward licensing may be provided for the right candidate.

We are always on the lookout for great people who will serve our clients with passion and professionalism. If Landpro sounds like a place you'd like to work, please contact us at [info@landpro.co.nz](mailto:info@landpro.co.nz) - we might have an opportunity for you across one of our locations.

If you think Landpro and the Taranaki Surveyor role would be a fit for you, please submit a cover letter of no more than 2 pages, addressing the above criteria, along with a CV to [Jon@landpro.co.nz](mailto:Jon@landpro.co.nz)
