

So much more than a Bloke with a Theodolite.

LICENSED CADASTRAL SURVEYOR

Botany Junction, Auckland

RPC Land Surveyors are a well-respected, long established surveying company with offices in Mount Maunganui and Auckland.

A position is available in our busy Auckland office which involves all aspects of field surveying and office management of projects, including the preparation of resource and land use consents. The role will suit an ambitious surveyor who thrives on challenges and responsibility.

You will be working with a dedicated team of professionals on a range of work in the greater Auckland area. You will have a desire and the ability to tackle complex projects in a busy environment, as well as being able to organise and prioritise work to fulfil client expectations.

Our preferred candidate will have the following attributes:

- Licenced Cadastral Surveyor
- Be a member of, or be eligible for membership of Survey and Spatial NZ
- Use/be familiar with 12D software and LandOnline
- Be willing to learn engineering design for land development and subdivision
- Demonstrable communication and inter-personal skills

In return we offer a competitive salary, payment of S+SNZ Membership fees, support for attending the S+SNZ conference plus local seminars/workshops, and a modern attractive office environment in Botany Downs. You will have the opportunity to help grow a varied and professionally challenging workload and for the right candidate there is the potential to become a shareholder in the business.

RPC Ltd is a company that is currently expanding its professional skill base and is aiming to be one of the leading Consultancies in professional land development in the Bay of Plenty, Waikato and Auckland.

TO APPLY, PLEASE EMAIL YOUR CV TO MOUNTMAUNGANUI@RPC.CO.NZ. YOU CAN ALSO VIEW OUR WEBSITE AT WWW.RPC.CO.NZ.

ALL APPLICATIONS AND ENQUIRIES WILL BE TREATED IN THE STRICTEST CONFIDENCE.
