LAND SURVEYOR - Auckland

Are you:

- Looking for a change?
- Seeking a better work-life balance?
- Looking to cut down on the commute?
- Relocate to a new area?

We have a position available for a Licensed Cadastral Surveyor or Experienced Technician, who enjoys a relaxed working environment and is a self-starter who can work with a minimum of supervision.

We are a mid-size firm working on a wide variety of land development projects mainly in the Manukau, Papakura and Franklin areas. We have been serving the district for 70+ years. We are located on the urban fringe and we have a good blend of rural and urban projects. As would be expected we are involved in a full range of planning and surveying work. Our Papakura office is in the heart of an area undergoing significant development and ongoing work is assured.

You will be:

- Licensed or have a minimum of three years' experience post qualification.
- Capable of working independently and as part of a close knit team.
- Preferably familiar with Magnet software.
- We utilise the latest Leica GPS and Robotic Total Stations.
- Legally entitled to work in New Zealand.
- Have a full drivers licence.

This is an excellent opportunity for career development and there are long term prospects, including partnership, for the right candidate.

We offer a friendly, family focused and flexible work place with opportunities for training and professional development. A competitive salary and other benefits will be negotiated with the successful applicant.

Please make applications or expressions of interest to office@mrl.co.nz including a current CV. All applications will be treated as strictly confidential.
