

## SENIOR SURVEYOR

- Stunning Outdoor Lifestyle
- High end affordable housing
- Award Winning / Progressive Consultancy

Bonisch Consultants has a proud history of providing land development services throughout the South Island. Based in Southland, for over 40 years they have provided expertise to clients in civil engineering, resource management, planning and surveying.

Leading and driving the team to achieve great outcomes you will ensure the delivery of timely, high quality surveying services. You will mentor and support others while also having the opportunity to further your business and commercial skills by working closely with experienced Directors and leaders in the business. With exciting projects on the go and in the pipeline, you may have 3-4 years' experience and be ready to step up or you will be a Senior Surveyor looking for a new challenge and the opportunity to work with a motivated and committed team. Either way;

### Key to your success you will have:

- A range of experience which can be either cadastral and topographical surveying or land development projects
- A background using 12D or Civil 3D software
- Great communication and interpersonal skills where you enjoy working in a fun, results oriented environment
- Strong leadership skills and the ability to mentor and support others to achieve great outcomes!
- Great problem-solving skills and the ability to look outside the square
- Excellent attention to detail and your time management skills will be second to none.

### What's in it for you?

- This is an outstanding leadership and management opportunity with a progressive growing business who have doubled in size over the last five years and continue to do so
- Training and development opportunities
- Contact us to find out more about the attractive remuneration package offered.

Bring your energy and enthusiasm and join a dedicated team who are passionate about making a difference while supporting their communities and really enjoying what they do.
