Location: Christchurch

Listed: 12/07/2021, Closing Date: 30/08/2021

## About Fox and Associates

Fox and Associates is a consultancy based in the South Island with offices in Christchurch and Ashburton.

creating legacies with land 

Like many companies we started out as a family run business, however unlike others we have kept to our roots and hold strong to our core values providing a welcoming and engaging work environment.

Our team members and clients stay with us for a long time because the personal touch goes a long way to making people feel valued and encouraging their success.

## Our Expertise

Fox and Associates has a reputation for being leaders and innovators in the profession, particularly for applications of technology, expertise, and having a deep knowledge in the fields we practice in. Fox and Associates has won several company awards and individual team members have won awards for their expertise and contributions to the survey profession.

## What does the role look like?

We are looking for a Land Surveyor to join our team and get involved in a variety of interesting and complex projects.

The role includes:

- Land Development Consultancy including:
  - Resource Management Planning including preparing subdivision and land use consents.
  - Engineering services for land development civil construction works including concept design, plan and contract preparation, engineering construction set out and as built surveys.
- Cadastral Surveying including conducting office calculations, field work, compilation of data sets, quality assurance checks for both rural and urban surveys.
- Spatial surveying including remote sensing and conventional topographical surveying, building set out and location surveys.

## What you need to bring?

Ideally the applicant is recently graduated though this does not exclude more experienced applicants if they were the right fit. To be successful in this role we are looking for:

- A motivated person who develops strong professional relationships with teammates and customers.
- Excited by the challenge of delivering results on some unique and complex projects.
- A collaborative person who thrives in a strong team environment.
- Lifelong learner who enjoys gaining and sharing knowledge.
- Creative thinker who is relentless about pursuing and finding a better way.
- Possess good communication skills for interacting with clients, Council officers and other staff.

Fox and Associates provides an attractive employment package with a range of employee benefits including competitive salary, health insurance, flexible work arrangement, the right work resources you need, support and development (including licencing projects), and a work environment where you can make a difference and be heard.

If this sounds like you, we would love to hear from you, head over to our website for more information <https://www.foxsurvey.co.nz/about-us/careers/>
