

Surveying + Subdivision Specialists

**"I enjoy the relaxed and supportive work
environment at KW Consultants."**

– Walter, Survey Graduate

KW Consultants is a multi-disciplinary land development consultancy focused on the delivery of Auckland's brown field developments. We are experiencing growth in this space as a reflection of the quality of the work that we pride ourselves of delivering.

KW Consultants is a young survey led consultancy that values the importance of our team culture and investment in technology. We work as an inclusive group to build the company with the input of the team. Being led by surveyors we understand and value the continued professional development of our staff to grow and fulfil their full potential within the surveying industry.

As a Surveyor within the KW Consultants Team, we are looking for

- › Easy going personality that fits within the existing supportive culture
- › Positive attitude
- › Confidence to ask for help when unsure
- › Organised, detail orientated individual
- › Experience within the brownfield development space
- › 12d processing and drafting experience advantageous
- › Experience with Trimble instruments and processing advantageous

What KW Consultants will offer you

- › Great work environment based in Avondale incl. a barista quality coffee machine
- › A supportive team of easy-going individuals
- › Continued support and development of your surveying career providing you with the necessary projects to achieve licensing
- › Top of the line gear including Trimble Total stations, Scanners and GNSS equipment, DJI Drones, our own base station network
- › Management of your own projects alongside our delivery managers
- › Industry leading remuneration package including laptop and phone

**"I hadn't been
given the
opportunity
to manage my
own projects
until I came
to KWC.
Organizing
contractors
and working
with the clients
has given me a
greater sense
of ownership
which I value."**

– Jordan, Surveyor
Soon to be licensed
