Survey Technician or Licensed Cadastral Surveyor

Henderson I Orewa

Cato Bolam is a leading land development consultancy providing "start-to-end solutions" for land development, subdivision and land use projects. Our company goal is "Creating Great Places" and that is what we strive to achieve – for our clients, our communities and our environment.

We are a well-established consultancy with highly qualified staff, state of the art technologies and procedures, and a great reputation. We offer a friendly, flexible working environment at office locations that are easy to get to. The salary package is attractive and targeted at the experience and potential of the applicant.

The Opportunity

We have an exciting opportunity in our Henderson and Orewa offices for an experienced Survey Technician or Licensed Cadastral Surveyor to work with our high performing survey team delivering all aspects of surveying for a wide range of projects rural, urban and commercial. This a great opportunity to join one of NZ's leading survey companies.

A career at Cato Bolam gives, not only the opportunity to continue your professional development, but to be part of a team of professionals from other disciplines leading projects from concept to completion in a supportive work environment. We are committed to investing in our people and creating high performers. We provide personal development plan support and mentoring to help you grow and take the next step.

About You

Our ideal candidate would be locally based with NZ experience in all aspects of cadastral and land development surveying for urban, rural or infrastructure projects. Experience working in a multi-discipline environment and familiarity with the surveying inputs to land development projects will be an advantage.

It is important that you have excellent communication skills and are comfortable working both autonomously and collaboratively depending on the project.
