

C. HUGHES & ASSOCIATES LTD

Surveying and Resource Management • Central Otago

Graduate Surveyors (Cromwell and Wanaka)

C Hughes and Associates Limited is a busy private firm with modern offices in Cromwell and Wanaka. Our firm has a 30-year heritage and we carry out a wide range of survey related work throughout the Central Otago / Southern Lakes region.

We have vacancy for graduate surveyors to join our busy Cromwell and Wanaka offices. This is an ideal opportunity for aspiring young professionals to live and work in a spectacular part of NZ and receive close supervision and mentoring early in their career. Being a smaller firm we can offer a variety of work to assist a graduate aiming to become licensed, as our employees handle all aspects of a land development project individually.

We operate the latest survey software and equipment, including Leica GS18 GNSS and DJI Inspire2 UAV, and we work on a range of urban and rural projects, typically from inception to completion. No two days are ever the same!

The Central Otago / Southern Lakes region is booming, facilities are ever increasing, and opportunities for recreation are unparalleled. Many of us ski throughout winter, and we also enjoy the biking, hiking, trail running, kayaking and sailing on offer.

Attributes we are seeking:

- Bachelor of Surveying
- Willingness to learn
- Positive attitude
- Attention to detail
- Ability to work as part of a small team
- Knowledge of 12d and Landonline

We will provide:

- A variety of interesting projects
- Opportunity to work on projects from start to finish
- Modern offices and facilities
- Attractive salary and conditions
- Ongoing development and support

If you are interested in becoming part of our valued team, please forward your CV with recent references to matt@chasurveyors.co.nz or phone 03 443 5052.
