

Land Surveyors

BE PART OF IT

With more than 50,000 people working in over 550 offices across 44 countries, WSP is one of the world's leading engineering consultancy firms and has over 150 years in Aotearoa New Zealand. We are proud to have the blueprint of Aotearoa New Zealand in our DNA and to be involved in the projects that will continue to connect and support us for generations to come. We value our people, our reputation, and our impact on the future.

The Role:

Needed is a **Land Surveyor** based in our **Wellington** office.

The successful candidate will:

Be given the opportunity to work with the latest survey technology and an innovative national survey team. Provide consultancy services to clients in the areas of topographic/engineering surveying, and particularly field work, processing, plan preparation and digital deliverables for both surveying and engineering projects. You will work with a wide range of disciplines to scope and deliver projects. In addition, you will also scope and carry out, Laser Scanning surveys, UAV surveys, Topographic surveys and Cadastral surveys. If you are a future focused Surveyor looking for an exciting role working in the digital space this could be the opportunity for you.

Skills and Experience:

- Bachelor of Surveying or Survey Technician qualification.
- Ideally 4+ year's professional experience in Land Surveying.
- Clean and full drivers' licence.
- Strong organisational ability to optimise and prioritise conflicting demands in a busy environment, to achieve deadlines and see responsibilities through to completion.
- Good analytical skills and attention to detail.
- Good level of fitness.
- Laser scanning experience is desirable.
- Experience with TBC and Civil 3D is desirable.

We are also hiring Senior Surveyors in Invercargill and Taupō if these locations are also of interest.
