

EXPERIENCED SURVEYOR

(Licensed Cadastral - or experienced graduate)

DUNEDIN OFFICE

We have a vacancy for a Licensed Cadastral surveyor, or experienced Graduate surveyor to join our busy Dunedin office. This position provides an opportunity for a practical, organised and experienced professional to manage a variety of cadastral projects as well as overseeing other surveyors and mentoring as appropriate.

Your Attributes:

- Experience in New Zealand subdivision, cadastral and Landonline environments
- Ability to think independently and manage projects with a high degree of autonomy
- Self-motivation with effective communication, collaboration and leadership skills

We will provide:

- A variety of interesting and challenging projects
 - A friendly office culture with 20 staff members
 - Part of the very supportive and cohesive Paterson Pitts Group of 5 branch offices employing 90 staff
 - Attractive salary and conditions
 - Private medical insurance
 - Ongoing professional development and support
