

ARE YOU READY FOR A NEW OUTLOOK?

Southern Land is a medium sized consultancy with a head office in Wānaka and smaller offices in Queenstown, Auckland, Invercargill and Golden Bay. We are seeking an **Experienced Survey Technician** or **Graduate Surveyor** to join our team in Golden Bay.

What do we do?

We are working on a range of exciting land developments, encompassing rural, urban and commercial projects. Our work covers the full range of land development, from topographical and cadastral surveying, set-outs and resource management planning to project management and civil design. We operate the latest survey equipment, including a UAV.

What do we offer?

A permanent role in a beautiful part of New Zealand bordering two national parks, highly competitive pay rates, and the opportunity to work independently with support from a national team of experienced professionals.

What work will you do?

You will be our primary field surveyor in Golden Bay so will need the ability to work unsupervised. You will gain broad experience in surveying projects from scheme plans to topographic surveys to preparing cadastral survey datasets.

What are we looking for?

You'll have a Bachelor or Diploma of Surveying plus at least 2 years' experience, strong field skills and good cadastral knowledge. You will be familiar with 12d, AutoCAD and Landonline and have a keen attitude and excellent attention to detail. You must have New Zealand residency or a valid New Zealand work visa.

Interested? Call Vergne Wilson on 027 307 7824 or send your CV and cover letter to contact@southernland.co.nz.
