- **Genuine commitment to support flexible, family-friendly working arrangements**
- **Diverse and challenging projects with the opportunity to lead large scale projects, manage staff, and refine skills in specialist areas**
- **Rapid career progression, with support and assistance from experienced senior staff**

About Landpro

Landpro is a multi-disciplinary team of experts whose experience covers all aspects of Surveying, Planning, Environmental Science, and Geospatial Consultancy. At Landpro our purpose is to create and inspire sustainable solutions through expertise, innovation and technology - we even have our own planes to help with this!

We are a successful company that is committed to making a difference in the regions we work in, which currently span Southland, Otago and Taranaki.

Our people are flexible, hardworking and all-around epic humans: we care about meeting the needs of each other and our clients. As a company, we are focused on fostering long term opportunities for the growth of our people. Think of it as city-like opportunities with a rural focus, where the only traffic you are likely to encounter is the sheep!

The role:

The Taranaki LCS role is supported by several Survey Technicians with mentoring from our Regional Survey Lead and Landpro Director. Remuneration and package are scalable to suit the experience and capability.

The New Plymouth office is a tight-knit team of surveyors and planners who enjoy each other and our work, so being a team player and all-around good human is a must.

Criteria:

- A licensed Cadastral Surveyor
- Minimum 3 years' experience across a broad range of survey skills, (specifically: cadastral work, topographic surveys, engineering design, plan drafting and 12d experience)
- Experience in managing your own projects and mentoring junior staff/students
- Experience working with and/or consulting on large scale projects
- As confident working independently and solving problems on the fly as working collaboratively within a team
- Understanding of planning concepts and interpretation of regional and district plans
- Experience with 12D, Landonline, AutoCAD, Pix4D and Leica instruments would be an advantage

If you think Landpro and this role would be a good fit for you, please apply online with your CV and a cover letter of no more than 2 pages, specifically addressing the above criteria.

We are always on the lookout for great people who will serve our clients with passion and professionalism. If Landpro sounds like a place you'd like to work, please get in touch - we might have an opportunity for you across one of our locations.
