

About You

Our ideal candidate would be locally based with NZ experience in all aspects of cadastral and land development surveying for urban, rural or infrastructure projects. Experience working in a multi-discipline environment and familiarity with the surveying inputs to land development projects will be an advantage.

It is important that you have excellent communication skills and are comfortable working both autonomously and collaboratively depending on the project.

You will also have:

- Minimum of 5years+ experience
- Great communication and team working skills
- Good experience and working knowledge of modern survey equipment
- Ability to provide high quality service to clients
- Experience with 12D (or Civil 3D), AutoCad and 12d Synergy an advantage

If you possess all or most of the skills above and believe you have the qualities and experience that we seek to join our dynamic team ensuring delivery of high-quality surveying solutions and client engagement then we would like to hear from you.

Licensed Cadastral Surveyor / Survey Technician Orewa

Cato Bolam is a leading professional consultancy providing start-to-end solutions for housing, land development, subdivision and infrastructure projects. Our company purpose is "Creating Great Places" and that is what we strive to achieve – for our clients, our communities, and our environment.

The Opportunity

We have an exciting opportunity in our Orewa office for an experienced Survey Technician or Licensed Cadastral Surveyor to work with our high performing survey team delivering all aspects of surveying for a wide range of projects – rural, urban and commercial. Being located on the urban fringe of Auckland, you can avoid the traffic and live close to the country while enjoying work in both rural and urban surveying environments to support our broad client base. This is a great opportunity to join one of NZ's leading survey companies.

About Us
