

## Surveying + Subdivision Specialists

**"I enjoy the relaxed and supportive work  
environment at KW Consultants."**

– Walter, Survey Graduate

KW Consultants is a multi-disciplinary land development consultancy focused on the delivery of Auckland's brown field developments. We are experiencing growth in this space as a reflection of the quality of the work that we pride ourselves of delivering.

KW Consultants is a young survey led consultancy that values the importance of our team culture and investment in technology. We work as an inclusive group to build the company with the input of the team. Being led by surveyors we understand and value the continued professional development of our staff to grow and fulfil their full potential within the surveying industry.

### **As a Licensed Cadastral Surveyor, we are looking for**

- › 2+ years as an LCS
- › Experience working in a smaller land development consultancy or experience across planning, surveying, and engineering
- › Organised, detail orientated individual
- › Easy going nature that will add to our supportive work culture
- › 12d processing and drafting experience advantageous
- › Experience with Trimble instruments and processing

### **What KW Consultants will offer you**

- › A career shaped around your goals while supporting you to achieve them
- › Project ownership from start to finish, working with clients to deliver their goals
- › Great work environment based in Avondale incl. a barista quality coffee machine
- › Top of the line gear including Trimble Total stations, Scanners and GNSS equipment, DJI Drones, our own base station network
- › Input into the growth of the company and potential shareholding recognising your contribution
- › Industry leading remuneration package including laptop, phone and vehicle

**09 215 6367 / [hello@kwconsultants.co.nz](mailto:hello@kwconsultants.co.nz)  
[kwconsultants.co.nz](http://kwconsultants.co.nz)**

**"I hadn't been  
given the  
opportunity  
to manage my  
own projects  
until I came  
to KWC.  
Organizing  
contractors  
and working  
with the clients  
has given me a  
greater sense  
of ownership  
which I value."**

– Jordan, Surveyor  
Soon to be licensed
