

## **Want a great lifestyle and get paid to live in the North of Auckland**

Warkworth Surveyors Limited was established in 2013, being a new name for an old, well-established surveying company that had been around the Warkworth district for over 30 years.

We have a small team of surveyors, all of whom have been with us for many years and we are looking for another Land Surveyor to join our team. Our office is in Warkworth where we provide a full range of consultancy services for both urban and rural land development. We live and work within a stunning rural and coastal area, just 50 minutes north of the Auckland CBD. You can enjoy beautiful beaches and regional parks, surfing, fishing, vineyards, craft breweries, restaurants and the famous Matakana Farmers' Market. There are excellent schools and a strong community – it's a great place to bring up a family. If this interests you, we'd love to hear from you.

### **Qualifications & experience**

- New Zealand qualified Licensed Cadastral Surveyor or Survey Technician.
- Has a sound knowledge of the Resource Consent Process
- Is familiar with Landonline and current cadastral rules
- Has good communication skills and is able to work autonomously or within a team.
- Has a full NZ drivers licence

### **Tasks & responsibilities**

- Carrying out all aspects of Land Surveying over a wide range of projects.
- Be part of our team working closely with our clients
- Carry out a combination of field and office work

### **Benefits**

- A small company in a team environment
- A wide variety of jobs, with involvement from start to finish
- Competitive pay rate
- Good future prospects within the company.
