

SENIOR SURVEYORS – QUEENSTOWN AND MATAMATA

We are seeking experienced Senior Surveyors to join our Maven team, one in our Matamata Office and one in Queenstown. 6+ years experience or a Licensed Surveyor with 4+ years experience is preferable.

We are working on a wide variety of projects from small-medium scale commercial developments, through to large scale residential subdivisions.

As our Senior Surveyor you will be involved in project planning, and managing, tracking, and reporting the progress of works. You will liaise closely with the Directors and Managers on job progress, deadlines, and deliverables.

Your benefits include competitive remuneration, flexible working hours, professional memberships paid for, strong and supportive team culture, strong Professional Development frameworks, and the ability to work from various offices around NZ (project and experience dependent).

If you love the outdoors, enjoy a challenge, and want to be a part of a growing multi-disciplinary team, please contact bopinfo@maven.co.nz for further information or check out our available roles and apply through the following link to our [Maven Website](#)!
