

We are seeking an **Experienced Survey Technician** or **Graduate Surveyor** to join our busy team.
We're experiencing strong growth, and you will play a key role in our business.

Absolute Land is a small, rapidly growing consultancy in Invercargill. We are part of the Southern Land group, with a head office in Wānaka and smaller offices in Queenstown, Golden Bay and Auckland.

What do we offer?

- Invercargill offers excellent opportunities to establish yourself, with affordable house prices and a lower cost of living.
- Highly competitive pay rates and a friendly working environment, with support from our national team of experienced professionals.

What do we do?

- A range of exciting land developments, encompassing rural, urban and commercial projects.
- Everything from topographical and cadastral surveying, set-outs and resource management planning to project management, civil design and engineering.
- We operate the latest survey equipment, including a UAV.

What work will you do?

- You will be our primary field surveyor in Southland so will need the ability to work unsupervised, although you'll have plenty of support.
- You will gain broad experience in surveying projects from scheme plans to topographic surveys, with a particular focus on cadastral surveys.

What are we looking for?

- A Bachelor or Diploma of Surveying plus a few years' experience.
- Good cadastral knowledge and strong field skills.
- Familiarity with 12d, AutoCAD and Landonline
- A keen attitude and excellent attention to detail.
- New Zealand residency or a valid New Zealand work visa.

Interested? Call Annabel Small on 027 237 5011 or send your CV and cover letter to annabel@absoluteland.co.nz.
