

CONSTRUCTION SURVEYOR

ABOUT US

Civix Limited is a growing planning, engineering and surveying consultancy of 70+ employees located in the Auckland CBD. We pride ourselves on the qualities that each person brings to our team and are always keen to hear from outstanding individuals that would be a good fit for our innovative, multi-disciplinary firm.

This is an excellent opportunity to be a key player in a dynamic company, working with a great team that are passionate about people, technology, efficiency, and delivering exceptional results for our clients.

The role also offers the opportunity to broaden your understanding of the development process in a supportive environment whilst working alongside key project partners.

We are seeking expressions of interest from Construction surveyors with 2-10+ experience.

The successful applicants will have the opportunity to join an enthusiastic team delivering a variety of land development and infrastructure projects within the wider Auckland Region.

THE IDEAL CANDIDATE WILL POSSESS

Construction Surveyor

- 2-10+ years of surveying experience in NZ.
- Proficiency with Leica equipment and 12D.
- Excellent communication and a proactive mindset

THE OPPORTUNITY

- Play a leading role in projects ranging from 2-lot subdivisions through to complex large-scale developments within a mid-sized multi-disciplinary consultancy.
- Apply your skills in a wide variety of applications while working within a supportive and striving team environment.
- The opportunity to build client relationships to become a key player within the business.

WE OFFER

- A flexible working environment including work from home opportunities.
- A fun, friendly and engaging office environment with regular company events.
- Support for ongoing professional development, training and mentoring.
- Above market salaries and internal promotion opportunities.
- Involvement in a diverse range and scale of projects.

WE ARE HIRING!
