

SURVEY GRADUATE

Looking for a fresh start in the New Year? Land Surveyor wanted to join our friendly team. Great team culture, competitive salary and variety of projects!

The Company:

Stewart Surveying has been serving the greater Auckland region from our East Auckland office since 2015 and has grown a large client base through a strong reputation via word of mouth and referrals. With a diverse range of work, we carry out all types of Surveying, from construction sites, Land Transfer Surveys, earthworks surveys, asbuilts, topo's, monitoring, setouts and more. We use 12d software, LandOnline, Trimble GPS, Leica robotic survey instruments and integrated GPS.

The Location:

Our modern office is situated in Botany. Within striking distance to the southern motorway and with the Botany Shopping Centre right around the corner, we are ideally located to serve our loyal and growing client base.

Experience/qualifications required:

- Must have Bachelor of Surveying Degree
- Be able to operate 12d software, Landonline, Leica robotic total stations and GPS
- NZ Residency or Work Visa
- Full NZ Drivers Licence

To be successful for this role you MUST have/be:

- Commitment to accuracy and efficiency
- Excellent communication and problem solving skills
- Motivated and looking for a challenge
- Ability to work well in a team environment
- Wanting to grow you career

Why should you apply?

- Excellent growth and advancement opportunities
- Competitive salary
- Wide variety of projects
- Friendly staff with great team culture
- We believe in work/life balance

If you're looking for a new career opportunity, please send your CV to the address below or phone for a strictly confidential chat. Only candidates who meet our selection criteria for qualifications will be contacted.
